CRIME IN TENNESSEE.

as institon of a white name. Last Sunday sight the family of James Freeland, decessed, we re awake of by a sudden servam, and the visit attents of the room from the room up above. After striking a light it was discovered in so Mr. Tink Freeland, bleeding profusely and unable to speak. It marrowly escaped being shall while in the dark. It know not what had occurred, such appeared even unconscious of being damp rously wounded, to going up stairs the would-be assassin was discovered, a negro buy about fourteen years old. He is represented as having been a very foreclosus tooking negro, having a very specularly shaped head. He afterwards coil of the theodolist of the deciding of the throat with a knife would groduce death, and was answered in the affermatic. A short time throat with a knife would groduce death, and was answered in the affermatic. A short time thereafter he desired to know of the same person whether on acc would prove a more serious weapon than a knife, and again received out affirmative answer. He crept up stairs sicalithly with an axe, got down upon his knews to be a sufficient of the large rous and probably fatal wound. The negro was manual Afred Kaney, and formerly belonged to W. S. Kalney, Esq., of this vicinity.

The dails of the death will be found elsewhere in this morning's base in the virilled of the jury of inquest. It comes that a party
